## Castaway Island, Fiji

Castaway Island Fiji is a South Pacific tropical island resort in Fiji's famous Mamanuca group of islands. The resort is reminiscent of a traditional Fijian village, nestled amongst lush tropical gardens with individual thatched roofed bure accommodation. The island offers beautiful palm fringed, white sand beaches, coral reefs and outstanding Pacific Island cuisine which makes Castaway Island a great holiday destination for those seeking a relaxing beach vacation and for snorkelling and diving enthusiasts.
